

Origami Sailboat

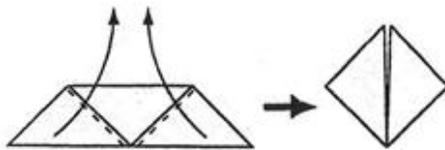

1. Start with a square piece of paper, white side up. Fold the paper in half, then open. Cut the paper in half, along the crease.

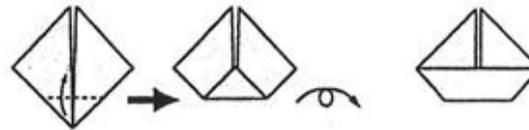

2. With one of the triangles, fold in half and open.

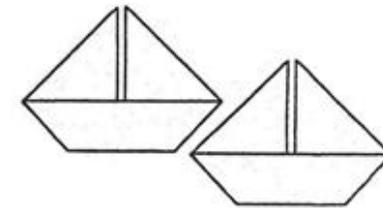

3. Fold the top corner downwards to meet the bottom edge of the triangle.

4. Fold the two bottom corners upwards to meet together in the middle.

5. Fold the bottom corner up to the center. Then turn over.

Finished sailboat.
Now you can make another one with the other triangle.

Don't forget to name your sailboat!
