

Astronaut Portrait Collage

What is a portrait?

A painting, drawing, photograph, or engraving of a person, especially one depicting only the face or head and shoulders.

What is a collage?

A piece of art made by sticking various materials such as:

- photographs and pieces of paper or fabric onto a backing.
- the art of making collages.
- a combination or collection of various things.

Astronaut Mae Jemison, an American engineer, physician and former NASA astronaut. Dr. Jemison became the first black woman to travel in space when she served as a mission specialist aboard the Space Shuttle Endeavour. *Image Credit: NASA*

How do I create a Portrait Collage?

- Use the outline of one of the trailblazing astronauts.
- Choose from various materials and arrange them on your portrait outline.
- Glue down the materials onto your portrait outline, color and create your own Portrait Collage!
