

“Children Behave, and Misbehave”

1960, Aug.-Nov. 1963

Producer: CBS News, made "for the President's family."

Source: Paul Fisher, White House Item # 8 of Box 15

16mm, b/w, sil and sof portions, 181'

This film was apparently put together from outtakes. The title is misleading. The emphasis is clearly upon the Kennedy children, but the cuts do not have anything to do with their behavior as such -- they are simply the subject of the camera's attention.

Shot List
