Highlights of the final two days in the life of John F. Kennedy including his scheduled public appearances and informal interaction with the crowds which greeted him in San Antonio, Houston, Fort Worth and Dallas, Texas. Also included is a brief segment as the late President's body is returned to the White House on November 23.

Portions of the sound track include radio narration of the assassination of President Kennedy, and a live recording of Judge Sarah Hughes swearing in Lyndon B. Johnson as 36th President of the United States.
