Tom Putnam, Director, John F. Kennedy Presidential Library and Museum

THE VICTURA SOCIETY recognizes individuals and families who have included the Kennedy Library Foundation in their charitable estate plans. Their generous gifts ensure that the legacy of John F. Kennedy and the work of the Kennedy Library Foundation continue to inspire future generations.

Retired math teacher Phyllis Pullman taught in the New York Public Schools District for over thirty years and is a proud Victura Society member. A long-time member of the Kennedy Library Foundation, Phyllis has recently chosen to name the Foundation as a recipient of her estate’s charitable donations.

Always interested in the Kennedy Library since the day she first heard of its groundbreaking, Phyllis felt it was important to be involved and shared her connection to the Foundation:

“I feel that President John F. Kennedy was very special. I believed in him and what he stood for. He brought out the best in people and made them proud of their country. He made people want to become involved. Since I was too young to vote for him, when the Library was built, I knew this was my chance to do something.

Including the Kennedy Library Foundation in my estate plans is an extension of doing my part to help preserve the legacy of JFK for future students.”

Currently enjoying retirement, Phyllis lives in Queens, New York, and travels extensively. If you have included the Kennedy Library Foundation in your estate plans, or would like more information on how you can make a legacy gift to the Foundation, please contact Maura Hammer at 617-514-1580 or maura.hammer@jfkfoundation.org. The Kennedy Library Foundation looks forward to welcoming those individuals and families who wish to make such a gift to the Victura Society.
